THE WORKSHOP

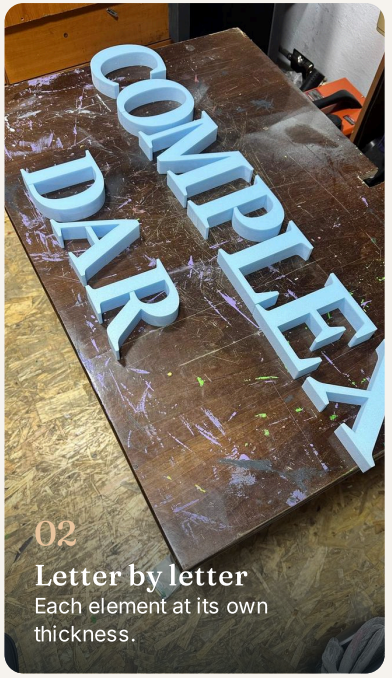

From drawing to wall, under one roof.

We start from your drawing. We cut the polystyrene on the machine in our workshop, then paint and finish every piece. We deliver anywhere in Romania, ready to install.

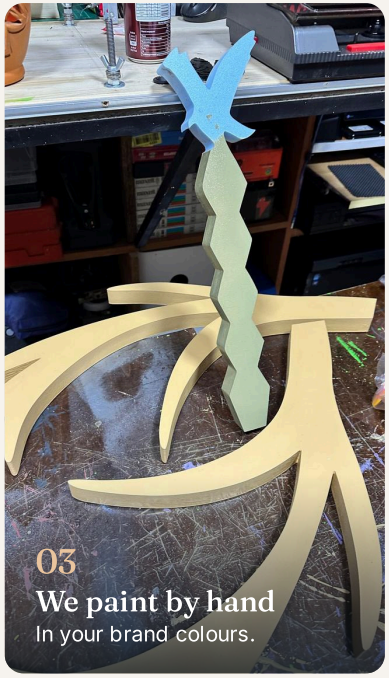

- 3D polystyrene logos and letters
- Event decor: names, initials, numbers
- Interior decor: 3D wall art, silhouettes
- Vinyl graphics for cars and shop windows
- Laser engraving on wood, metal and leather
- Protective packaging inserts
